Third-Party Content

While we control our platform, some third-party content (e.g., embedded maps, social media) may not fully meet WCAG standards. We encourage reporting such issues for resolution.

Continuous Improvement

Accessibility is a journey. We regularly:

- Audit our site using automated tools (e.g., WAVE, Axe, IBM) and manual testing.
- Engage users with disabilities for feedback.
- Train our team on emerging best practices.

Legal Compliance

We adhere to EU Directive 2016/2102, ensuring our digital services meet national and international accessibility requirements.

Review Date
